**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

In an Office Communication mailed January 12, 2007, the Office informed the applicant that the amendment filed on October 27, 2006 is "non-compliant" for failure to satisfy the requirements of 37 C.F.R. 1.530(e). The Applicant respectfully requests withdrawal of this objection. Section 1.530(e) relates only to applications in the process of reexamination, and the present application is not undergoing reexamination. To advance examination of the application, though, the Applicant is providing a substitute Arguments section with a new Section C that identifies examples of specification support for the claim amendments.

These **Arguments** begin on page 2 of this paper.
